

LARRY ZABLOUDIL - SERTOMA CLUB MEMBER

Larry joined the Hastings Sertoma Club in 1990 and became a member of the Eight Man All-Star Committee in 1992. In his early years, he dedicated his time and effort to selling program advertising as well as handling game day t-shirt sales. In 2003, he became chair of the All-Star committee, where he served for the next 11-plus years. During game week, Larry looked most forward to lining up the many activities for the players and coaches and watching life-long bonds of friendship develop. With each year's festivities, he took great satisfaction in using the All-Star Week platform to remind everyone of the game's purpose to raise money for the hearing impaired children of Nebraska. For several decades, Larry was a key volunteer in making each All-Star week a success and his efforts are truly appreciated. The NEMFCA thanks him for his 25-plus years of service and is honored to welcome him into the Eight Man Football Hall of Fame Class of 2019.
