

CARL OSTRAND – ANSLEY HIGH SCHOOL

From 1984 to 1987, Carl was an outstanding 3-year starting quarterback at Ansley for Hall of Fame Coach Dan Moore. During that span, he led the Warriors to 2 State Runner-Up finishes ('84 and '87), as well as an undefeated 13-0 state championship campaign in 1986. In his junior and senior seasons, he was named 1st Team All-Loup Valley Conference and 1st Team All-State as a quarterback, while also playing safety and returning kicks. After his highly decorated prep career, Carl was selected to play in the 1988 Eight-Man All-Star Game, where he was named that game's Most Valuable Offensive Player. After graduating college, Carl has gone on to become a very successful Eight-Man Football coach with career stops at both Giltner and Nebraska Christian. As a coach, his goal has been to use the game of football to develop young men into strong leaders that will go on to lead their families and their communities with integrity. The NEMFCA is honored to welcome him into the Eight Man Football Hall of Fame Class of 2020-2021.
