

THE CHORUS OF THE PLAINS

From 1978 to Present, The Chorus of the Plains has opened each and every Eight-Man All Star game with their barbershop rendition of our National Anthem. Their presentation of “The Star Spangled Banner” is essential in helping us create a game day atmosphere and their organization has done a remarkable job of that for over 40 years. In recognition of their multiple decades of service and contribution to the success of this game, The NEMFCA is honored to welcome The Chorus of the Plains into the Eight-Man Football Hall of Fame Class of 2020-21.
